

MiraLucian LLC announces the release of *Patterns Of Existence* by Solitaire Parke

Patterns Of Existence is the third volume of the series called THE LARGER WORLD.

The first book in the set, entitled *Beyond the Astral Planes*, defines the knowledge of "out of body" experiences and how to become a traveler.

Book two, *Threshold of Perception* is a much more in-depth look at the information stated in book one, and becomes the intermediate level of learning.

This new volume, *Patterns of Existence*, deals with all of the above and more at the advanced level of comprehension of The Larger World. The intent of this series is to be a concise source of research and explanation to an area that has eluded description for centuries. Once in the outer regions of a person's abilities, entire new worlds open before you and beckon to stretch your enlightenment and excitement.
