

MiraLucian LLC announces the release of *Tapestry* by Solitaire Parke

Tapestry is a vivid sojourn inside the mind of the poet.

His inspirations, hopes and fears come to life through a series of interlacing poems which depict his life and careers, his loves and disappointments, and his successes.

Great to ponder in the wee hours of any long and lonely night.

“This author's work has been likened to Edgar Allen Poe and William Shakespeare, and I can see why. Classics are read to this day for a reason, and I wouldn't be surprised to someday see this book listed with the great minds of the past. This is destined to be a classic as well. I gave this 5 stars, and it earned every one of them.” - Kay Glass.
