## THE EMERALD DRAGON - A DRAGOMEIR NOVEL, Series Book Five

*Book 5 continues the story of Queen Mother when her companion, the ancient warrior Tanis, is called by an emerald dragon named Demios. Demios is the first emerald dragon to be born in over a thousand years!*

Tanis has to learn to be a dragon rider now, and also has to interact with and eventually gain the trust of the other riders and the people of Mt. Drago. The mountain lies in the middle of a desert but has special access to other worlds; worlds inhabited by both unusual and evil creatures.

Led by Queen Mother aka The Ariella, Tanis and the other riders must band together to create a fighting force and fly across the River Styx, beyond the Ice Caves to the Black Fortress.

There they must retrieve the first of three crystal keys. These keys have held their enemies at bay since the first of dragonkind but sources say the keys were captured by the Dark Lords of the Provinces.

As The Ariella's riders fly over land and sea, they summon surprising courage to protect the dragons and Mt. Drago from the vile forces which stand in the way of their peaceful existence.
